

Instruction to reach the Faculty of Nuclear Sciences and Physical Engineering (Brehova 7, Prague)

The building of the faculty is well accessible from the „Staromestska“ metro station (green line) – ca. 300 m by foot.
Close to the faculty is a stop of tram nr. „17“ as well (ca 100 m).

The course is held in lecture room B009. The room is located at the same floor as the entrance to the building. Once you enter the building, go straight, on staircase take one steps up and one down. On your right side, you will see PC room B009.
